

Welcome to our first newsletter of 2025

We have some great information, opportunities to share and events for you to join - to make sure we can support your communities to achieve good things this year.
Have a read and get involved. This time it's all about ACT!

ACT Rural Survey - next steps

The **ACT Rural Issues Survey** closed in January and we are keen to share the results with you. Many of you told us that transport, housing and access to vital services are the biggest challenges of living in rural Cumbria.

We're holding the first of several follow up conversations online on **Thursday 27 Feb at 7.30pm** to [share some of the detail](#) and to think about what key campaign messages or approaches might be.

Please join us to help turn these survey results into useful next steps.

Rural Housing Enabler Service

ACT and Eden Housing Association have been delivering the **Rural Housing Enabler Service** in Cumbria for one year now. The Service aims to unlock opportunities to develop small numbers of affordable homes, in rural places (under 3000) where a need is identified. We're working with communities, planners and housing associations across the county who know that a handful of affordable homes in the right place is vital for the sustainability of local services.

Planning for your Future through the Local Plan?

As part of our Collaboration Hub and Community Voice work with the Lake District National Park Partnership, ACT is offering to support communities to engage fully with the revision of the Local Plan.

The Local Plan will set out to a large extent what will be built and where in the National Park for the next two decades, so it's worth getting involved.

Do you want to volunteer your place to be part of a supported conversation about the new local plan? Unusually we will do a lot of the work *for* you - so that we can gather ideas and information from you quickly and feed it in to the Plan consultation process.

Get in touch with [Fran](#) if you're interested, or read more [here](#).

Free online Community Emergency Planning workshops

ACT is working with partners to run online sessions for community members and support staff who are looking to build community resilience and develop or update community emergency plans. Workshops are on **Thursday 6 March at 2.00pm** and **Weds 12 March at 6:30pm**. Read more [here](#).

It doesn't matter if you already have a community emergency plan or not, you just need to have an interest!
